Tokyo 2006 - One night, Saitou Shion was attacked by a Tedlar, suffering horrific injuries. However, a "tedlar" - a life-form from another world, by the name of Inferno saved his life in exchange for his body, and he now lives on as half human, half tedlar. Bewildered by the sudden turn of events, and desperate to find a way to become human again, an extremely powerful tedlar called Gehenna appears before him. Despite losing the battle, he is allowed to keep his life, and accompanies her despite not knowing her intentions. Soon after, more and more enemies appear before him... what else does fate have in store for Shion!?

AFLAME INFERNO #44

Hi, as you may have realised upon reading our previous releases, we are using a Japanese raw to proof read your Aflame fix... Besides name changes between the two versions (which are explained below), this series is now READ RIGHT TO LEFT! This seems to have thrown a few people off before, so I'm putting it in writing now!!

Anyways, here are the name changes, ie. the names I'm using:
KOREAN NAME = JAPANESE NAME

Main Characters:

HUMAN FORMS
Kang Shichan = Saitou Shion
Shin Chachee = Hosaka Natsumi
Kain Rondwell = Kain Londwell
Ashley ???? = Eshley Schultz

TEDLAR EMPERORS
East = Inferno
West = Genocide
North = Damnation
South = Pandemonium

Other Characters (Only important ones in the current story):
Go Yuna = Iida Yui (Psychic Girl)
Yang Un Ju = Kawasaki Haruo (Korean/Japanese Teacher)
Ei Moon Ki = Mutou Isamu (Sociology Teacher)
Kim Yun Heun = Fujita Fumihiro (PE Teacher)
Shin Kihoon = Hosaka Akihiko (Natsumi/Chachee's younger brother)

If I notice any more name changes appear as I go on, I'll add an explanation note.

Call me lazy for not using the Korean names, but as we have a reliable Japanese raw provider now, I'm going to stick with Japanese names!

Last comment is regarding gender, as you should know, the Tedlar are generally regarded as genderless, while this works fine in Japanese and Korean, it doesn't work out as well in English. Therefore, I will refer to each Tedlar's gender according to their host. (Yes, that means Inferno is a "he"!)

Come to our site or irc channel if you wanna comment, complain, etc.

Thanks for reading =)
